Additionally, student teachers will be expected to follow the cooperating teacher's contract day and attend all in-service and other teacher meetings (e.g., open-house, conferences, etc.).

\* The Orientation & Job Placement workshop as scheduled above is **mandatory** for all students teaching within the "local" placement area (approximately 70 miles of IC), and **optional** for students completing student teaching experiences at special site locations **if** they have participated in the Special Site Orientation session held during the previous semester.
