

Sample Plan of Study, Transfers, Changing Colleges, Post-Bacs - Spring 2023 and Later Sessions

Requirements

- Admission to the [Teacher Education Program](#) (TEP)
- Completion of the course requirements listed below or approved substitutes in accordance with the [Teacher education Program Policies](#).
- Completion of [General Education CLAS Core requirements](#).
- All coursework must be completed prior to student teaching.
- Candidates must also earn at least a C- in all TEP Major Courses
- Sample course plans represent one way to complete a program of study. Actual course selection and sequence will vary and should be discussed with an academic advisor.

Prior to being admitted to the TEP students may take CLAS Core General Education requirements, Foundation Courses [EPLS:3000, PSQF:1075, EDTL:4900, or EDTL:2122], or courses for endorsements, as needed. Foundation courses can be completed prior to admission to Elementary Education program but are not prerequisites for admission.
