

Collegiate Teaching Award
College of Education, University of Iowa

Call for Nominations website: <https://education.uiowa.edu/faculty-and-staff-resources/collegiate-teaching-award>

Nominees must all satisfy the following requirements:

1. They are tenured, tenure-track, clinical-track, or instructional-track faculty from the College of Education at the University of Iowa.
2. They have taught as faculty at the University of Iowa for the three academic years prior to and not including the current academic year.
3. They have not received the award in the past five years.

Based on the information provided in the application materials and focused only on the three academic years prior to the current academic year, please assess the strength of the evidence provided about the nominee regarding each of the criteria in the table below.

Nominee Name: _____

Criteria	Exceptional evidence	Strong evidence	Some evidence	No evidence	Comments
Enhancement of student learning made by the nominee's teaching practices in formal settings					
Inclusive and equitable teaching practices					
Contributions to student development made by the nominee's practices outside of the classroom					
Enhancement of nominee's teaching through scholarly, professional, or creative works					
Consistently positive qualitative and quantitative student feedback on teaching
