Additionally, student teachers will be expected to follow the cooperating teacher’s contract day and attend all in-service and other teacher meetings (e.g., open-house, conferences, etc.).

* The Orientation & Job Placement workshop as scheduled above is mandatory for all students teaching within the “local” placement area (approximately 70 miles of IC), and optional for students completing student teaching experiences at special site locations if they have participated in the Special Site Orientation session held during the previous semester.
